TO A NEW YEAR  
&  
NEW BEGINNINGS!

# SAMPADA

Your Window to UVCE

## Editorial

On behalf of TEAM SAMPADA, here's wishing you a HAPPY NEW YEAR! It's 2019 already! Yet another new year has begun even before we could realize before we could comprehend with how 2018 passed away in a blink.

Talking about New Year, I feel it is one of those occasions which sparkles in everyone the thought of starting a new resolution with start of a new year . Some set the goal to achieve better, some to become more fitter, some to reach more success, some hope to enhance their personal happiness and so on. On similar lines, why don't we think let's make the resolution to make UVCE a more better place for students and generations to follow so as to be nurtured rightfully into being great engineers of tomorrow.

YES! An for such a resolution to be realized and turned to reality what is significant or is essential is us as Alumni joining hands to work for the betterment of our Alma Mater. When we look at UVCE and complain saying the facilities are not right, students have to trained more, the infrastructure has to be improved and current technology has to be installed in the premises, we forget one very important point. And that is how we all as Alumni, simultaneously people who hold powerful positions in the engineering or IT industry, influential government jobs or even as simple as knowledged individuals have the potential to apply efforts in our capacity and aide for college development. We can help drive our companies in visiting UVCE for placements, we can visit the college and mentor students, take seminars in fields we hold expertise in, donate computer systems or lab equipment to the college and list of myriad possibilities that we hold in our hands.

We are currently seeing all the issues about instability circulating UVCE, why don't we as alumni go and voice our opinions about this and save the dignity of our alma mater? Rather than complaining that UVCE has become this way, why don't we stand as community to support UVCE so that no such instability issues are tamed towards our college. We should not always stay back and hope for the college to reach us Alumni like it is mostly done in other colleges. But why can't we take the first step? Moreover, we need to engross ourselves ore into details of this institution. WE may propose a solution and stand a back, but researching and providing our best support to college in order to implement that solution becomes vital. This institution has played a pivotal role in transforming us from a student to letting us into the professional world and progress. Hence we can take this hard step for our Alma Mater's sake.

I agree that we may not have a flawless coordination with administration or faculty to implement this in a jiffy, it takes time, approvals and bit more effort than it would normally take but in the end it will al be worth it. Over the years, we as Team VisionUVCE have been thriving to execute initiatives for UVCE and have faced few difficulties which need us to push more but in the end it's all worth it when we see the students being aided because of it. Let's become more proactive, more dedicated and most importantly more involved into the college to understand the needs rather than doing a surface evaluation and complaining. Let's do everything our capacity.

Moreover, our effort howsoever hard it maybe will end up setting an example to our current students whom we can hope to continue in this direction otherwise if we do not take the step, UVCE's much known network will soon crumble and see only further deterioration So with beginning of this New Year, lets revive our spirits and start new efforts to make our beloved UVCE find it's glory again!

**-Chitra S Reddy, Batch of 2016 ECE**

## Saga of UVCE Alumni Association

We received a video over the WhatsApp few days back, which was about the journey of UVCE Alumni Association and its current status. Many of the facts were based on the write-ups that we had published sometime back :

- On Mar 12th,2018, we had published a blog “[Revive the Alumni Association](#)” with an online petition, which was supported by senior eminent alumni like Dr M R Sreenivasan, Dr VK Aatre, Prof Roddam Narasimhan and others
- On Mar 27th,2018, we compiled the timeline that listed all the events that had taken place in the whole process of approaching UVCE Alumni Association and published one more blog called “ [Save UVCE Alumni Association](#)” which gives a the detailed background about these happenings.
- On Apr 24th, 2018, we provided all the updates about Elections and how it was not informed to anyone in the blog “[Update on UVAA Elections](#)”. There again we had requested to conduct a fair and democratic process
- On May 13th,2018, post all the confusions, we had published one blog “ [Latest News on UVAA Elections and SGM](#)” which spoke about the misleading things happening at the Association.

Now, we felt in this video, we have some more updates saying the Govt Secretariat had sent a Notice to UVAA asking “Why Administrator should not be appointed based on Dep Registrar Report?” to which there was no response by the office bearers. Instead they got a “Stay Order” from the High Court. This again is going to be a legal battle, for which few alumni wanted to be party along with the Govt Department. As of now, the case is pending and we request everyone to watch the video and take action in whatever capacity possible. Ask questions, Spread awareness - something which are very easy and does not require any of the resources apart from your time. [Check the video here](#)

## Gold Medal List

We are glad to inform that we have put the information of all the Gold Medals given away to Engineering students from Bangalore University - In the Name of, What purpose/rules, and this Year's Winners. We hope this will be useful to all different batches or alumni groups who are interested to award the bright students in some manner. Congratulations to the Gold Medal Winners !

<b>Sri Lalbhai Patel Gold Medal</b>	One Gold Medal to a Final Year BE Degree Mechanical student securing highest marks in Engineering Materials (Metals)	Meer Ibadulla, Mech
<b>State Bank of Mysore Sir M Visvesvaraya Memorial Gold Medal</b>	One Gold Medal to the top merited student passing BE Final Year of the Civil Engg Branch based on Overall Performance in all the Four Years of Civil Engg Exams in the first Attempt	Harsha H R, Civ
<b>UVCE Golden Jubilee Commemoration Gold Medal - Five Medals</b>	One Gold Medal to a Final Year BE student securing highest marks in Civil Engg	Madhusudhan S M, Civ
	One Gold Medal to a Final Year BE student securing highest marks in Mech Engg	Surya Sagar, Mech
	One Gold Medal to a Final Year BE student securing highest marks in EEE Engg	Varshitha V, EEE
	One Gold Medal to a Final Year BE student securing highest marks in ECE Engg	Kawshalya, ECE
	One Gold Medal to a Final Year BE student securing highest marks in Arch Engg	Reshma S, Arch
<b>M/s Bano Foundation Gold Medal</b>	One Gold Medal to a Final Year BE Degree Mechanical student securing highest marks in Automobile Engg	Rohvin D Souza
<b>K S Chakravarthi (Engg) Gold Medal</b>	One Gold Medal to a student securing highest marks in final year BE Civil Engg in the University Examination	Madhusudhan S M, Civ
<b>M V Aswathanarayana Setty Gold Medal</b>	One Gold Medal to a student securing First Class in Civil Engg Examination of BU	Harsha H R, Civ
<b>Sri B K Sriharsha Memorial Gold Medal</b>	One Gold Medal to Engg Student securing First Rank at BE Degree examination	Fazal Khan, Mech
<b>Dr Sir M Visvesvaraya Centenary Celebration Prize (University of Mysore)</b>	Three Prizes to the best student who pass the BE Degree Exam in each of the three	
	Civil	Harsha H R, Civ
	Mechanical	Fazal Khan, Mech
	Electrical	Varshitha V, EEE

<b>Electrical Contractor 1 Sri G Hanumaiah Prize</b>	One Cash Prize to a student securing Highest marks in BE Electrical Engg examination & passing all the subjects in First Attempt	Varshitha V, EEE
<b>Guindy Engineering College Alumni Association (Bangalore) Prize</b>	The Prize of Proficiency-I will be awarded to a regular BE Student of one of the affiliated colleges of BU who has secured highest marks in the University in aggregate during 4/5 yrs of course in the college and not having failed in any subject in any of the exams	Vignesh B, CSE
	The Prize of Proficiency-II will be awarded to a regular BE Student of one of the affiliated colleges of BU who has secured 2nd highest marks in the University in aggregate during 4/5 yrs of course in the college and not having failed in any subject in any of the exams	Ankit Rathore, CSE
<b>Sri T R Shamanna Prize</b>	One Prize for the best student in Engineering with highest marks in BE Course	Vignesh B, CSE
<b>Sri Jagadishchandra Cannonkodu Prize</b>	One Prize to a candidate securing highest marks in aggregate of all the subjects of 4 years of EEE Engg	Varshitha V, EEE
<b>Smt Sundarammal Chakravarthi Prize</b>	One Prize to a candidate securing highest marks in Final BE degree in Civil Engg of Univ Exam	Madhusudhan S M, Civ
<b>Late Sri C Ranganath Memorial Prize</b>	One Prize to a candidate securing highest marks in Final BE degree in MECH Engg of Univ Exam	Surya Sagar, Mech
<b>BabaSaheb Dr B R Ambedkar Commemoration Gold Medal</b>	To be awarded to SC/ST student who secures highest marks in BE	Manoj Naik, Mech
<b>Sri S Nijalingappa's 68th Birthday Commemoration Gold Medal</b>	One Gold Medal to SC/ST student who secures highest marks in final BE Exam	Archana Kumari M Nayak, Civ
<b>Century Club - Bharat Ratna Sir M Visvesvaraya Memorial Endowment Gold Medal</b>	One Gold Medal to be awarded to Final Year BE Civil Engg student who secures highest marks in Irrigation Engg in First Attempt	Guru Ganesha A J, Civ
<b>Sri K C Shamanna Prize</b>	One Prize for the best student in Engineering with highest marks in BE Course	Vignesh B, CSE
<b>Engineer Capt. D K Murthy Cash Prize</b>	One Cash Prize to a student securing Highest marks in BE Electrical Engg examination	Varshitha V, EEE
<b>P V Kumaraswamy Memorial Gold Medal</b>	One Cash Prize to a student securing Highest marks in Final Year BE in Computer Science at UVCE	Tanzila, CSE
<b>Miss Veena Thimmappa Memorial Gold Medal</b>	One Cash Prize to a student securing Highest marks in Final Year BE in Mechanical at UVCE	Fazal Khan, Mech
<b>Prof Dr B.H Briz Kishore Cash Prize</b>	Cash Prize to be awarded to a student securing the highest marks in BE. 7th & 8th Semester Exams of all branches of Engineering faculty	Surya Sagar, Mech
<b>Prof D K Lingaiah Gold Medal</b>	Gold Medal to be awarded to a student securing highest marks in the subject "Mechanical Engineering Design-I, II & III - Machine Design" of BE Degree in the University Examination	Vijay Herle, Mech

<b>Late Sri P B Suresh Gold Medal</b>	Gold Medal to be awarded to a student securing highest marks in BE Mechanical Engineering subject in First Attempt in University Examination	Fazal Khan, Mech
<b>UVCE-62 Graduation Golden Jubilee Gold Medal</b>	Three Gold Medals are to be awarded individually to the students who secure Highest marks in (securing not less than 60% marks taking the aggregate results of all the Examination in the concerned course in University Exam in First Attempt)	
	B.E Civil Engineering	Harsha H R, Civ
	B.E Mechanical Engineering	Fazal Khan, Mech
	B.E Electrical Engineering	Varshitha V, EEE
<b>B K Garudachar Centenary Commemoration Prize</b>	One Prize to a student who passed ME Degree & securing highest marks in ME Mechanical	Doddamani Hithaish
<b>Karnataka Prathama Rajyapala Sri Mohanlal Sukhadia Gold Medal</b>	One Prize to a student securing highest marks in ME Electronics	Asha H
<b>Prof Justo Gold Medal</b>	One Prize to a student securing highest marks in ME Highway Civil Engg as Specialization	Thyagaraj K J

## How do we do our bit?

### Alumni Pledge Rs. 14 Crores To IIT Madras

CHENNAI: The Indian Institute of Technology (IIT) Madras alumni of the 1993 batch, which is having its silver reunion this year, have pledged to raise Rs. 12 crore, on the occasion of Reunion Day, hosted by IIT Madras today, to support the campus infrastructure, research and development, and student innovations. Further, the 1983 Batch also pledged another Rs. 2 crore. Over 300 alumni from across batches took part in the meet.

IIT Madras officials lauded the efforts of alumni.

"Many important researches that must be done falls within gaps of existing funding sources and researchers find it difficult to raise funds. CSR funding can help scale up these projects, particular those with social impact, to support pilot scale deployments," Prof Bhaskar Ramamurthi, Director, IIT Madras, said while addressing the reunion day celebrations.

**We have shared this news article not to just highlight the money factor, but to shed light on the fact that how an alumni community can come together to "GIVE BACK". We wanted to highlight the factor that how important an Alumnus is to a college and society and building the community is very essential. UVCE has larger alumni base than most other colleges in India. We need to work towards collate the information and come together for a cause !!**

## UVCE in NEWS

### University Visvesvaraya College of Engineering to appoint teachers on contract for NBA accreditation

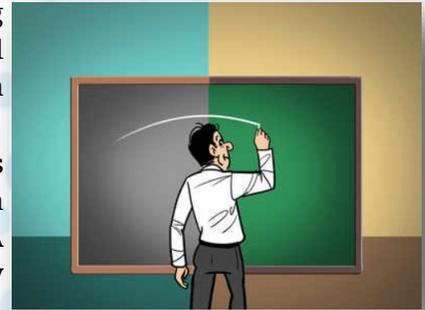

BENGALURU: University Visvesvaraya College of Engineering (UVCE), one of the oldest engineering colleges in the country, is all set to seek accreditation from the National Board of Accreditation (NBA). But there's a hurdle: It doesn't have enough teachers.

With adequate teaching staff being one of the key parameters for accreditation, the college has proposed to appoint teachers on contractual basis for six months in all its six departments. A proposal to this effect was discussed in the Bangalore University syndicate meeting and is up for consideration.

As per current figures, the six departments have a sanctioned strength of about 177 teaching staff, of which 91 posts are vacant. This means the student-teacher ratio is 60:1, which is far from the All India Council for Technical Education (AICTE) norms of 15:1. The vacant posts include 39 of assistant professor, 28 of associate professor and 24 of professor. According to NBA norms, it can't give accreditation to a college which doesn't fulfil AICTE guidelines and lacks facilities for students.

"In 2008, UVCE had enough teachers. Since then, many have retired but new appointments have not been made," said a senior faculty member at the college. UVCE has about 90 guest faculty members who are paid on an hourly basis.

### UVCE may lose 10 per cent seats due to shortage of staff

BENGALURU: One of the most sought-after government engineering colleges in the state, the University Visvesvaraya College of Engineering (UVCE), Bengaluru, may lose 10 per cent of its seats for the coming academic year. This was due to shortage of permanent teaching faculty members at the institute.

The All Indian Council for Technical Education (AICTE) has communicated to the institute that the screening committee constituted by it has recommended decreasing the number of seats. A copy of the communication from AICTE is available with The New Indian Express. As per information, the committee has identified this shortage as one of the major drawbacks and suggested a cut in the number of seats.

UVCE losing 10 per cent seats will be huge loss to students looking to get admission under CET. As per details from the Karnataka Examinations Authority, UVCE is the only government college in the state where seats get filled up fast. "This is the only government engineering college that is sought by students like private colleges," said an official of KEA.

The total number of sanctioned teaching posts at UVCE are 175, but currently there are just 91 permanent faculty members. The government has also put a freeze on recruitment to fill permanent staff, so the college has been running with the help of guest faculty members from the last 10 years.

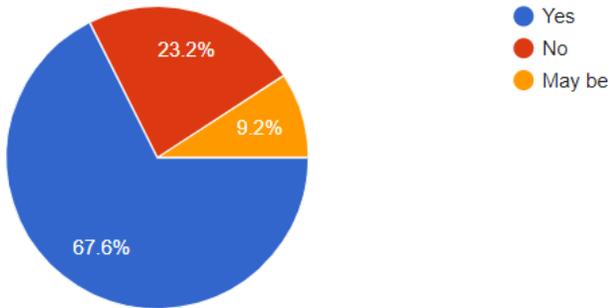

Authorities of the college said they are going to meet AICTE officials and request it to reconsider its decision. "Even the guest teachers we have are equally qualified and we will explain this to officials," said an official. "We are going to communicate about this to the Vice-Chancellor and Higher Education Minister," an official said.

# Namma UVCE Survey

To make things a bit more interesting around here, we thought how about running a survey in college to gather our student's opinions and make a check on how aware they are of activities ongoing in namma UVCE. So here's what they had in mind!

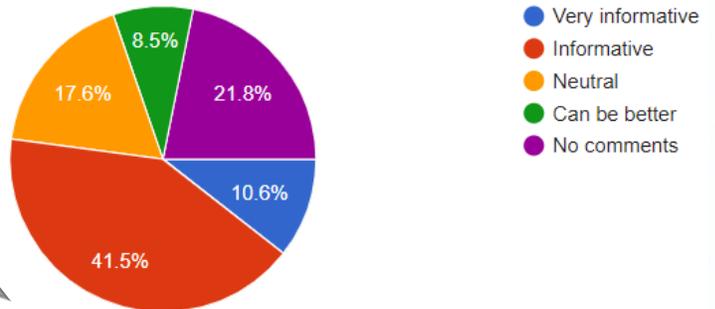

## Have you heard of Adhamya?

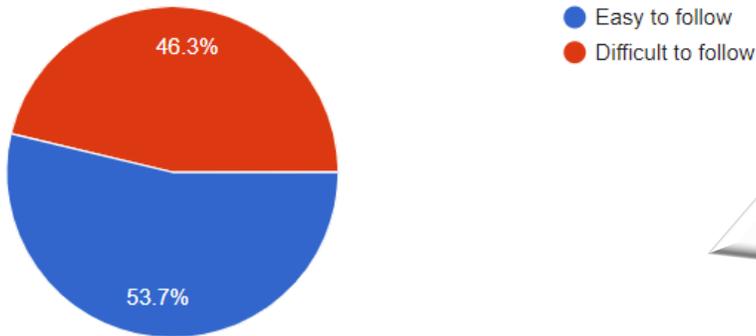

Close to 68% of the students seems to know well about Adhamya and there is close 33% of students who haven't heard or not sure. Firstly Team Adhamya being new seems to have kickstarted with good efforts to reach to the students and should keep continuing the initiative and make it more bigger to garner the rest.

70% of our students agreed to receiving SAMPADA regularly but the survey seems to show that about 48% of the students find the information or content in the newsletter be more aligned for them. We have taken these thoughts in mind and definitely plan on making our coming editions more exciting and intriguing for the students!

## How informative is Sampada?

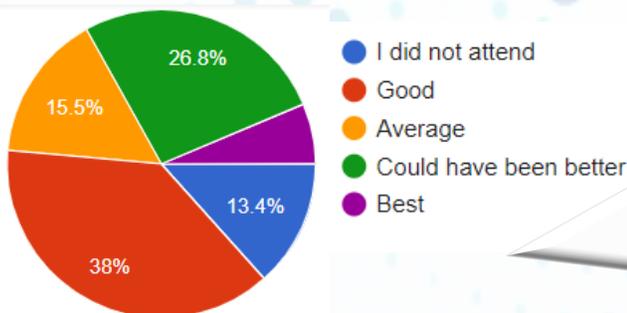

## What do you feel about the CBCS Pattern?

Seems like only 54% of our students have been able to get a hold of understanding the CBCS Grading system implemented henceforth at UVCE. Our UVCE faculty must push forth to give a more clear understanding to the rest of the students so that they can plan their academic and exam approach accordingly.

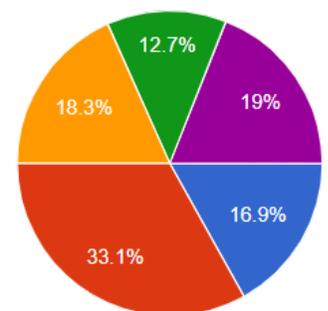

## What do you feel about our College Fests?

### INSPIRON 2018

Almost 50% of our students agree that our fest need more improvement or do not meet much expectations! Maybe the students need to work more on integrating more creativity concepts to appeal more crowd.

### FIESTA 2018

## SUMMARY OF THE STUDENT THOUGHTS

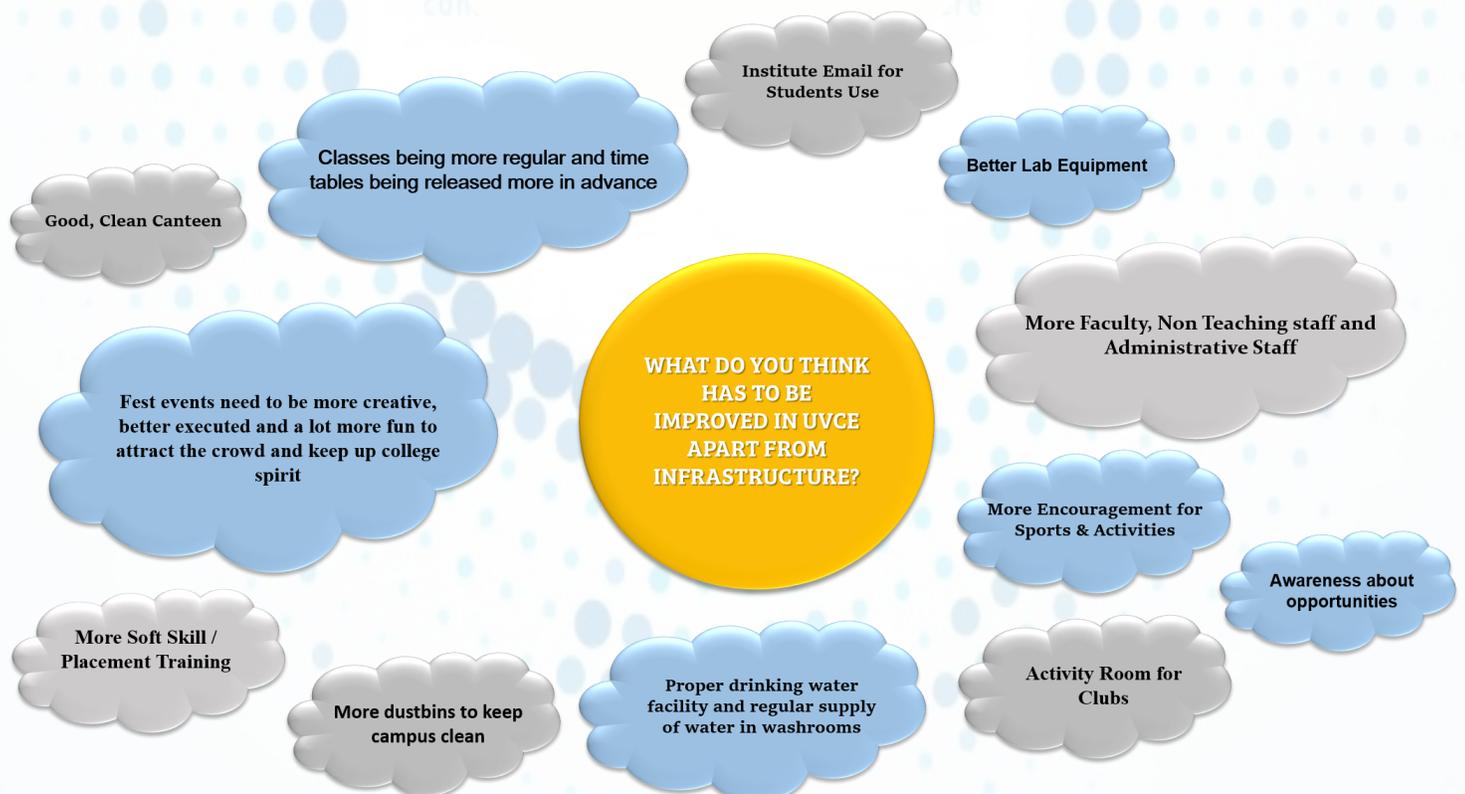

Infra doesn't matter. All that matters is the people in UVCE. By the day UVCE has a charm of it's own.

Needs a lot of improvement . There is renovation work going on But still needs a lot more

The infrastructure is really in a bad condition right now. But since the construction is going on right now, hope to see a better college in a couple of months.

Actually its like an ancient monument. If we rejuvenate then it will lose its identity. it is comfortable now but have to increase some facilities like sanity and water facility

I can see that it is changing for the better. But the change part, I don't like as I'm allergic to smoke and dust, we have a very dusty environment at the moment. Otherwise it is amazing. Also if they could manage the trash in the college it would be amazing  
Happy about the renovation but I just hope it retains its original design and architecture.  
It is just now an ordinary college building..it's a monument.

## ದೇಹದಾರ್ಢ್ಯಪಟು ಅಲೋಕ್ ಜತೆ ಸಂದರ್ಶನ

ತೋರಿಕೆಗಾಗಿ ದೇಹ ಬೆಳೆಸೋದಲ್ಲ..! ತನಗಾಗಿ ದೇಹವನ್ನು ದಂಡಿಸ್ವೇಕು..! ಅದೂ ಆರೋಗ್ಯಕರವಾಗಿಯೇ ಮಾಂಸಖಂಡಗಳನ್ನು ಬೆಳಸಬೇಕು ಹೀಗೆ ಮಾಡುವಾಗ ನಿಧಾನವಾಗುತ್ತೆ ನಿಜ, ಆಗಲೇ ನಮ್ಮ ಜೀವನದ ಅಂಚಿನವರೆಗೂ ಸದ್ಭಾವದ ದೇಹವನ್ನು ಕಾಪಾಡಿಕೊಳ್ಳಬಹುದು. ಅಂತ ಹೇಳಿದ್ದ ಈ ಕೋಲು ಮುಖದ, ಆಕರ್ಷಕ ದೇಹವನ್ನು ಹೊಂದಿದ ತರುಣ ನಮ್ಮ ಕಣ್ಣಿಗೆ ಬಿದ್ದನು, ಈತನಿಗೆ ಈಗ ಇಪ್ಪತ್ತು ವರ್ಷ, ಯು.ವಿ.ಸಿ.ಇ ಯ ಯಾಂತ್ರಿಕ ವಿಭಾಗದ ಮೂರನೇ ವರ್ಷದ ವಿಧ್ಯಾರ್ಥಿ ಹಾಗೂ ನಮ್ಮ ಸಂಸ್ಥೆಯ ಏಕೈಕ ವೃತ್ತಿಪರ ದೇಹದಾರ್ಢ್ಯ ಕ್ರೀಡಾಪಟು "ಅಲೋಕ್"ರವರ ಜೊತೆಗಿನ ಸಂಭಾಷಣೆಯ ತುಳುಕು ನಿಮ್ಮ ಮುಂದೆ....

**ಸಂ: ಮೊದಲಿನಿಂದಲೂ ನಿಮಗೇ ಈ ರೀತಿಯ ದೇಹವನ್ನು ಹೊಂದಲು ಆಸೆ ಇತ್ತೇ ?**

ಶಾಲೆಯಿಂದಲೇ ನನಗೆ ಈ ರೀತಿಯ ಕಾರ್ಯಕ್ರಮಗಳಲ್ಲಿ ಭಾಗವಹಿಸುವ ಚಟವಿದೆ, ದೇಹವನ್ನು ಹುರಿಗಟ್ಟಿಸಲು ಆಸೆ ಇತ್ತು, ಆದರೆ ಪದವಿ ಪೂರ್ವ ಶಿಕ್ಷಣವನ್ನು ಪಡೆಯಬೇಕಾದರೆ ನನ್ನ ಸಂಪೂರ್ಣ ಗಮನ ಶಿಕ್ಷಣದಕಡೆ ವಾಲಿತು, ಒಂದೇ ಕಡೆ ಕೂತು ದೇಹವನ್ನು ಬೆಳೆಸಿಬಿಟ್ಟೆ, ೯೦ಕಿಲೋ ತೂಗುವ ದೇಹ ಹೊತ್ತು, ೩೮ಇಂಚು ಸುತ್ತಳತೆಯ ಪ್ಯಾಂಟ್ ಧರಿಸುತ್ತಿದ್ದೆ ೧೮ ವರ್ಷದ ಯುವಕ ನಾನಾಗಿದ್ದೆ. ಆಗಲೇ ಸಣ್ಣ ಆಗಬೇಕು ಅಂತ ನಿಶ್ಚಯ ಮಾಡಿ ಜಿಮ್ ಸೇರಿದೆ, ಸರಿಯಾದ ಮಾರ್ಗದರ್ಶನವಿಲ್ಲದೆ ೧೦ ತಿಂಗಳು ಶ್ರಮವಹಿಸಿ ೧೦ ಕಿಲೋ ತೂಕವನ್ನು ಕಳೆದುಕೊಂಡೆ...! ಮತ್ತೆ ಪರೀಕ್ಷೆಗಳು ಬಂದಾಗ ಕೇವಲ ೧೯ ದಿನದಲ್ಲಿ ೪ಕಿಲೋ ತೂಕ ಹೆಚ್ಚಾಗಿಹೋಯ್ತು, ಹೀಗಿರಬೇಕಾದರೆ ನನ್ನ ತಂದೆ ನನ್ನಲ್ಲಿ ಸ್ಪೂರ್ತಿಯನ್ನು ತುಂಬಿದರು. ಅವರೂ ನನ್ನಜೊತೆಗೂಡಿ ಜಿಮ್ ನಲ್ಲಿ ಬೆವರು ಸುರಿಸಿದರು. ನಾವು ಶಿಸ್ತು ಭದ್ರವಾಗಿ ದೇಹವನ್ನು ದಂಡಿಸತೊಡಗಿದೆವು, ಅದಕ್ಕೆ ತಕ್ಕ ಪ್ರತಿಫಲವನ್ನು ನೀವು ಈಗ ಕಾಣಬಹುದು. ಸದ್ಯಕ್ಕೆ ನನ್ನ ದೇಹದ ತೂಕ ೭೪ಕಿಲೋ ಹಾಗೂ ನುಡುವಿನ ಸುತ್ತಳತೆ ೩೦ ಇಂಚು.

**ಸಂ: ನೀವು ಈ ದೇಹದಾರ್ಢ್ಯ ಸಂಬಂಧಿತ ಚಟುವಟಿಕೆಗಳನ್ನು ಆಯ್ದುಕೊಳ್ಳಲು ಸ್ಪೂರ್ತಿ ಏನು ?**

ಮಕ್ಕಳಿಗೆ ತಮ್ಮ ತಂದೆ-ತಾಯಿಯೇ ಸ್ಪೂರ್ತಿ, ನನ್ನ ತಂದೆ ನನಗೆ ಸೂಪರ್ ಮ್ಯಾನ್ ತರ ಅವರು ಆಗ ಹಾಗೆ ಇದ್ದರೂ ಕೂಡ, ಹಲವು ದಶಕಗಳ ಕಾಲ ಕಾಡಿದ ಮದುಮೇಹದಿಂದ ಅನಾರೋಗ್ಯಕರ ದೇಹವನ್ನು ಹೊಂದಿದ್ದರು, ನಾನು ಅವರಂತೆಯೇ ದಪ್ಪಗೆ ಇದ್ದೆ ನಂತರ ಅವರು ದೇಹದಂಡಿಸಲು ಶುರುಮಾಡಿದಾಗ ನಾನೂ ಜೊತೆಯಾದೆ, ಇದೀಗ ನಮ್ಮಿಬ್ಬರ ನಡುವೆ ಸ್ನೇಹದಿಂದ ಕೂಡಿದ ಕಲಹವಿದೆ, ಆರೋಗ್ಯಕರ ದೇಹವನ್ನು ಬೆಳೆಸುವ ಸ್ಪರ್ಧೆಯಿದೆ. ನನ್ನ ತಾಯಿ ನಮ್ಮಿಬರಿಗೂ ನೀಡುತ್ತಿರುವ ಸಹಕಾರ, ಸ್ಪೈರ್ಡ್ ಅತ್ಯಂತ ಮಹತ್ವವಾದದ್ದು, ಅವರನ್ನು ನೆನೆಯದೆ ಇದ್ದರೆ ನಮ್ಮಿಬ್ಬರ ಈ ಪರಿಶ್ರಮಕ್ಕೆ ಅರ್ಥವೇ ಇಲ್ಲದಂತಾಗುತ್ತಿತ್ತು; ಇದರೊಟ್ಟಿಗೆ ನನ್ನ ಹಾದಿಯೂ ನನಗೆ ಪ್ರೇರಣೆಯಾಗಿದೆ. ಸುಮಾರು ಒಂದು ವರ್ಷದ ಹಿಂದಿನ ಮಾತು, ನಾನು ಆಗಷ್ಟೇ ಸಣ್ಣಗಾಗುತ್ತಿದ್ದೆ ನನ್ನ ಶ್ರಮವನ್ನು ಮೆಚ್ಚಿ ನಮ್ಮ ತರಬೇತುದಾರರು ಮುಂಬೈನಲ್ಲಿ ಜರಗುತ್ತಿದ್ದ ಸ್ಪರ್ಧೆಯೊಂದಕ್ಕೆ ಕಳುಹಿಸಿದರು, ಆಗಲೇ ಅಂತಹ ಮೈಕಟ್ಟು ಇರಲಿಲ್ಲ ಆದರೂ ಭಾಗವಹಿಸಿದೆ, ಅಲ್ಲಿ ನನಗೆ ಬಹಳಷ್ಟು ಅವಮಾನವಾಯ್ತು, ಈ ಅವಮಾನ ಸಹಿಸಲಾರದೆ ಅಂದೇ ದೇಹದಂಡಿಸುವುದನ್ನು ನಿಲ್ಲಿಸಬಹುದಿತ್ತು ಆದರೆ ನನಗಾ ಅವಮಾನವೇ ಪ್ರೇರಣೆಯಾಯ್ತು. ಮೊನ್ನೆಯಷ್ಟೇ ಮೈಸೂರಿನಲ್ಲಿ ಒಂದು ಸ್ಪರ್ಧೆಗಾಗಿ ಐದು ದಿನಗಳಲ್ಲಿ ನಾಲ್ಕು ಕಿಲೋ ತೂಕವಿಳಿಸ್ಕೊಂಡು ಹೊರಟಾಗಲೂ ಅಷ್ಟೇ ಅವಮಾನವನ್ನು, ಹಿಂಸೆಯನ್ನು ಮಾತುಗಳನ್ನು ಎದುರಿಸಬೇಕಾಯಿತು. ನಿಧಾನವೇ ಪ್ರಧಾನವೆಂಬುದನ್ನು ಅರಿತು ಧೃತಿಗೆಡದೆ ನನ್ನ ಪ್ರಾಮಾಣಿಕ ಪ್ರಯತ್ನವನ್ನು ನಾನು ಮುಂದುವರಿಸುತ್ತಿರುವೆ.

**ಸಂ: ಈ ದೇಹವನ್ನು ದಂಡಿಸುವ ಉಪಯೋಗವಾದರೂ ಏನು ?**

ಇದೂ ಒಂದು ಸ್ಪರ್ಧೆಯೇ, ಒಬ್ಬ ಕ್ರೀಡಾಪಟು ಹೇಗೆ ಕ್ರೀಡೆಯಲ್ಲಿ ತನ್ನನ್ನು ತೊಡಗಿಸಿಕೊಂಡು ಯಶಸ್ಸನ್ನು ಕಾಣಲು ಶಿಸ್ತಾಗಿ ನಡೆಯುತ್ತನೋ ಹಾಗೆ ತನ್ನ ವಯಕ್ತಿಕ ಜೀವನದ ಯಾವ ಕಾರ್ಯದಲ್ಲೂ ಕೂಡ ಇದರ ಪರಿಪೂರ್ಣ ಪ್ರಯೋಗವನ್ನು ಮಾಡಿ ಉತ್ತಮ ಏಳಿಗೆಯನ್ನು ಪಡೆಯಬಹುದು. ನಾವು ಭಾಗವಹಿಸುವ ಎಲ್ಲಾ ಸ್ಪರ್ಧೆಗಳಲ್ಲಿ ಗೆದ್ದಿಲ್ಲವೆಂದರೂ ನನ್ನ ದೇಹ ವರ್ಷಪೂರ್ತಿ ಆರೋಗ್ಯಕರವಾಗಿರತ್ತೆ..! ಅದು ನನ್ನ ಪರಿಶುದ್ಧ ಪ್ರಯತ್ನಕ್ಕೆ ನಾನೇ ಪಡೆದುಕೊಳ್ಳುತ್ತಿರುವ ಬಹುಮಾನ, ಇದೇ ನನ್ನನ್ನು ಹುರಿದುಂಬಿಸುವ ಶಕ್ತಿ. ಈಗಿನ ವೇಗದ ಜೀವನಕ್ಕೆ ಜೀವವಾಹಿನಿಯನ್ನೇ ಬಲಿಯಾಗಿತ್ತು ಆಸ್ಪತ್ರೆ ಸೇರುವ ಬದಲು ಒಂದಿಷ್ಟು ಎಚ್ಚೆತ್ತುಕೊಳ್ಳಿ, ದೇಶವನ್ನೆಲ್ಲ ಮೊದಲು ನಿಮ್ಮನ್ನು ನೀವು ಬದಲಾಗಿಸಿಕೊಳ್ಳಿ, ಆರೋಗ್ಯವಂತರಾಗಿ.

**ಸಂ: ನೀವು ಅರಿತಿರುವ ಈ ಕಲೆಯಿಂದ ಸಾಮಾಜಕ್ಕೆ ಏನಾದರು ಕೊಡುತ್ತಿದ್ದೀರ ?**

ಭಾರತ ದೇಶ ಇಡೀ ಜಗತ್ತಿಗೆ ಅತ್ಯಂತ ಹೆಚ್ಚು ಮುದುಮೇಹಿಗಳನ್ನು ಒಳಗೊಂಡ ಎರಡನೇ ರಾಷ್ಟ್ರವಾಗಿದೆ, ನನ್ನ ಅಪ್ಪನಿಗೂ ಅತೀವವಾದ ಮುದುಮೇಹ, ದಿನಕ್ಕಾರು ಚುಚ್ಚುಮದ್ದು ಲೆಕ್ಕವಿಲ್ಲದಷ್ಟು ಮಾತ್ರೈಗಳು ಇಷ್ಟೇ ಜೀವನವಾಗಿತ್ತು, ಇದನ್ನು ಸವಾಲಾಗಿ ಸ್ವೀಕರಿಸಿದ ಅವರು ಹೊರಗೆ ಹೋಗಿ ತಮ್ಮ ಖಾಯಿಲೆಗೆ ಆರೋಗ್ಯಕರವಾದ ಶಾಶ್ವತ ಪರಿಹಾರವನ್ನು ಕಂಡುಕೊಂಡರು, ಎಲ್ಲರೂ ಅಚ್ಚರಿಪಡುವಷ್ಟು ಬದಲಾವಣೆಗಳನ್ನು ರೂಪಿಸಿಕೊಂಡರು. ಇದನ್ನೇ ಪ್ರೇರಣೆಯಾಗಿರಿಸಿಕೊಂಡು ನಾವು ನಮ್ಮ ಸುತ್ತಮುತ್ತಲ ಜನರನ್ನು ಕೂಡಿಸಿ “ವೆಲ್ನೆಸ್ ಕ್ಲಬ್” ಒಂದನ್ನು ಶುರುಮಾಡಿದೆವು. ಪ್ರಚಾರಕ್ಕಿಂತ ಹೆಚ್ಚಾಗಿ ಬದಲಾವಣೆಗಳಿಗೆ ಮಹತ್ವವನ್ನು ನೀಡಿ ಆರೋಗ್ಯಕರವಾಗಿ ದೇಹದ ತೂಕವನ್ನು ಕರಗಿಸಲು ಅಥವಾ ಹೆಚ್ಚಿಸಿಕೊಳ್ಳಲು ತರಬೇತಿ ನೀಡುತ್ತಾ ಬಂದಿದ್ದೀವಿ, ನಾನೂ ಅಲ್ಲಿ ಸ್ವಯಂ ಸೇವಕ, ಅವರೊಟ್ಟಿಗೆ ಕೂಡಿ, ಆಡಿ, ವಿಷಯಗಳನ್ನು ತಿಳಿದುಕೊಂಡು ಆರೋಗ್ಯವನ್ನು ಹಂಚುವ ಪುಣ್ಯಕಾರ್ಯ ಮಾಡುತ್ತಿರುವೆ.

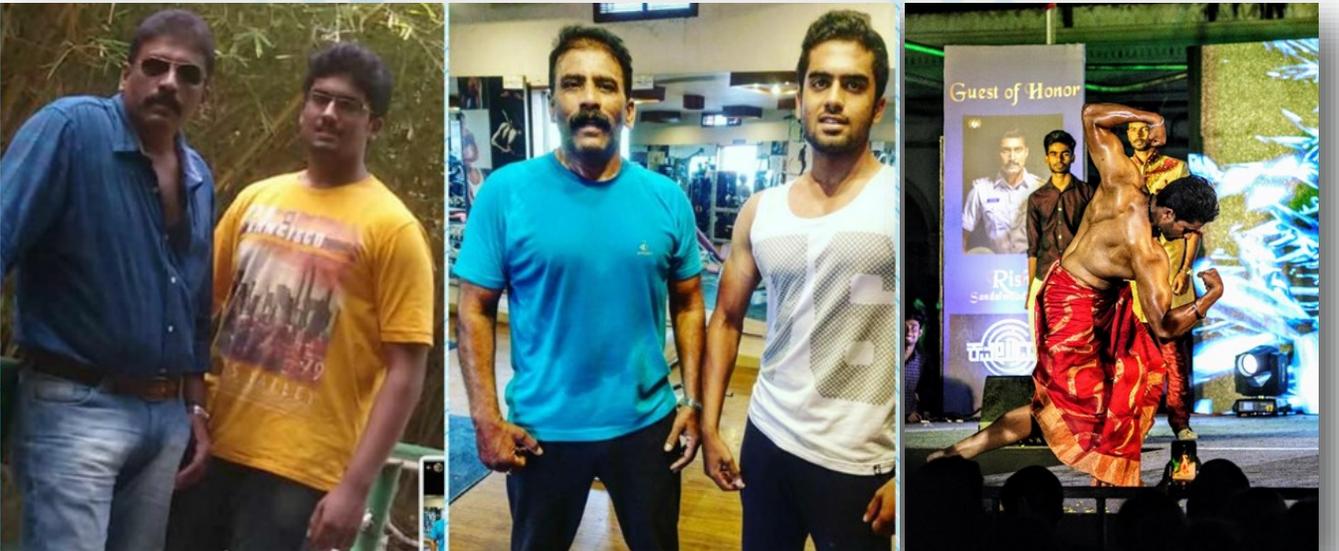

**ಸಂ: ಇಂದಿನ ದಿನದಲ್ಲಿ ಜಿಮ್ ಸೇರುವ ಬಹಳಷ್ಟು ಮಂದಿ ಇದ್ದಾರೆ ಆದರೆ ಅಂದುಕೊಂಡದ್ದನ್ನು ಸಾಧಿಸಲು ವಿಫಲವಾಗ್ತಾರೆ ಇದಕ್ಕೆನು ಕಾರಣ?**

ಇಂದಿನ ತಲೆಮಾರೇ ಹಾಗೆ ನಾವೊಂದು ಹೇಳಿದರೆ ಅವರೊಂದು ಮಾಡುತ್ತಾರೆ, ಹಾಗಾಗಿ ಹೇಳುವ ಬದಲು ಅವರಿಗೆ ಪ್ರತ್ಯಕ್ಷವಾಗಿ ಉದಾಹರಣೆಗಳನ್ನು ತೋರಿಸಿದರೆ ಮಾತ್ರ ಅವರನ್ನು ಪ್ರೇರೇಪಿಸಲು ಸಾಧ್ಯ ಇಲ್ಲದಿದ್ದರೆ ಈಗಿನ ಹುಡುಗರು ಜಿಮ್ ಗೆನೋ ಬರ್ತಾರೆ ಇರೋ ಎರಡು ಗಂಟೆಲಿ ಬರೀ ಮೊಬೈಲ್ ಹಿಡ್ಕೊಂಡು, ಕನ್ನಡಿ ಮುಂದೆ ನಿಂತು ಹಲ್ಲು ಕಿಸಿತಾರೆ, ಒಂದು ಚೂರೂ ಶಿಸ್ತನ್ನು ತೋರುವುದಿಲ್ಲ, ಜಿಮ್ ಈಗ ಮನೋರಂಜನೆಯ ತಾಣವಾಗಿದೆ, ಡಿಸೆಂಬರ್ ನ ಚಳಿಯೋ, ಹೊಸವರ್ಷದ ಕಾಮನೆಗಳಿಗೋ ಜನರು ಧೃಡ ಸಂಕಲ್ಪವನ್ನು ಬಿಟ್ಟು ಮತ್ತೆ -ಮತ್ತೆ ಜಿಮ್ ಸೇರುತ್ತಾರೆ-ಬಿಡುತ್ತಾರೆ ಹೀಗಾದರೆ ಯಾವ ಬದಲಾವಣೆಯೂ ಆಗದು.

**ಸಂ: ಎಲ್ಲರೂ ಜಿಮ್ ಸೇರಲು ಆಗುವುದಿಲ್ಲ, ಅಂತವರಿಗೆ ದೇಹವನ್ನು ಹುರಿಗೊಳಿಸಲು ಏನಂತೀರ ?**

ಬಹುಮುಖ್ಯವಾಗಿ ಉಟ, ಒಂದು ಮಾಂಸದ ಮುದ್ದೆ ಮಗುವಾಗಲು ತಾಯಿಯೊಬ್ಬಳು ಸೇವಿಸುವ ಆಹಾರ ಹೇಗೆ ಪ್ರಮುಖವಾಗುತ್ತದೆ, ನಾವೂ ಕೂಡ ದೇಹಕ್ಕೆ ಒಗ್ಗುವ ಉಟವನ್ನು ಸರಿಯಾಗಿ ಮಾಡಿದರೆ ಆಕರ್ಷಕ ಮೈಕಟ್ಟನ್ನು ಹೊಂದಬಹುದು. ಶೇ.೭೦% ದುಷ್ಟ ಪರಿಣಾಮಗಳು ನಮ್ಮ ಉಟದ ಪದ್ಧತಿಯ ಮೇಲೆ ಅವಲಂಬಿತವಾಗಿರುತ್ತದೆ, ತಲೆ-ಬಾಯಿ ಇವೆರಡೂ ಆರೋಗ್ಯವಾಗಿದ್ದಾರೆ ಇನ್ನುಳಿದ ದೇಹವು ಸದ್ಭವವಾಗಿರುತ್ತದೆ. ನಿಮಗೆ ನೀವೇ ಸವಾಲುಗಳನ್ನು ಹಾಕಿಕೊಳ್ಳಿ, ನಿಮಗಿಂತ ಚಿಕ್ಕದಾದ ಬಟ್ಟೆಯನ್ನು ಧರಿಸಿ ಅದಕ್ಕೆ ದೇಹವನ್ನು ಹೊಂದಿಸಲು ಪ್ರಯತ್ನಿಸಿ. ಶಾಲೆಯಲ್ಲಿ ಎಲ್ಲರೂ ಓದಿರುತ್ತಾರೆ ನಾವು ದಿನಕ್ಕೆ ಎಷ್ಟು ನೀರನ್ನು ಕುಡಿಯಬೇಕು, ಎನನ್ನು ತಿನ್ನಬೇಕು, ಎನನ್ನು ತಿನ್ನಬಾರದು ಅಂತ ಆದರೆ ಅದನ್ನು ಅಲ್ಲೇ ಮರೆತುಬಿಡುತ್ತೇವಿ, ಅಲ್ಲಿಂದಲ್ಲೇ ನಮ್ಮೆಲ್ಲಾ ಸಮಸ್ಯೆಗಳು ಪ್ರಾರಂಭವಾಗೋದು ಹಾಗಾಗಿ ಸಜ್ಜನರ ಸಂಘ, ಸರಿಯಾದ ಮಾರ್ಗದರ್ಶನ, ಸರಳ ಜೀವನ, ಉಟದಲ್ಲಿ ಒಂದಿಷ್ಟು ತ್ಯಾಗ, ಜೀವನಶೈಲಿಯಲ್ಲಿ ಆರೋಗ್ಯಕರ ಬದಲಾವಣೆ ಹಾಗೂ ಕ್ರಮಬದ್ಧ ವ್ಯಾಯಾಮ ನಿಮನ್ನು ಆರೋಗ್ಯವಾಗಿರಿಸಲು ಬೇಕಾದ ಪ್ರಮುಖ ಅಂಶಗಳು.

## UVCE in NEWS – 2

**A series of articles are published during the course of last week and we wanted to bring everything to your notice at one shot.**

### **BCU and BU now fight over UVCE Control**

In the latest round of sparring between Bangalore University (BU) and Bangalore Central University (BCU) over properties at the Central College campus, top officials of both the universities are fighting for the authority of the premier University Visvesvaraya College of Engineering (UVCE). Though UVCE is situated in the BCU campus, the administration is still under BU. However, a few officials in BCU want the college to come under their administration. “During trifurcation, it was clearly mentioned that the properties on the premises of Central College should be handed over to BCU administration. But BU is yet to obey these orders. This

has also become one of the properties that we are struggling to save,” a senior BCU official told DH. BCU intends to take up renovation of the century-old building and introduce new courses. UVCE is one of the few technical institutions in the country that has the status of a university. It offers BE, BArch, ME, M.Arch in various disciplines of engineer. On the other hand, there is also a proposal to bring UVCE under Visvesvaraya Technological University (VTU) by granting it autonomous status. Confirming the development, Venugopal K R, BU Vice Chancellor and former principal of UVCE said, “Its high time UVCE got autonomous status. None of us (BU and BCU) can claim ownership of the college that offers technical courses. There is a separate university to look after the colleges that offer technical courses. Hence, it better the college that offers technical courses be separate from the varsity that offers general courses. Since UVCE is under BU, we will submit a proposal to VTU to grant it autonomous status”.

### **ಯುವಿಸಿಇಗಾಗಿ ವಿ.ವಿ.ಗಳ ನಡುವೆ ಅಂತಃಕಲಹ**

ಬೆಂಗಳೂರು ವಿಶ್ವವಿದ್ಯಾಲಯ ಮತ್ತು ಬೆಂಗಳೂರು ವಿಶ್ವವಿದ್ಯಾಲಯದ ವಿಭಜನೆಗೊಂಡ ಬಳಿಕ ಸೆಂಟ್ರಲ್ ಕಾಲೇಜು ಆವರಣದಲ್ಲಿನ ಕಟ್ಟಡಗಳ ಮಾಲೀಕತ್ವದ ಕುರಿತು ಬೆಂಗಳೂರು ಮತ್ತು ಬೆಂಗಳೂರು ಕೇಂದ್ರ ವಿ.ವಿ.ಗಳ ನಡುವೆ ಶುರುವಾದ 'ಅಂತಃಕಲಹ' ಈಗಲೂ ಮುಂದುವರಿದಿದೆ.

ಬೆಂಗಳೂರು ಕೇಂದ್ರ ವಿಶ್ವವಿದ್ಯಾಲಯ ಆವರಣದಲ್ಲಿನ ವಿಶ್ವೇಶ್ವರಯ್ಯ ಕಾಲೇಜ್ ಆಫ್ ಎಂಜಿನಿಯರಿಂಗ್‌ನ (ಯುವಿಸಿಇ) ಆಡಳಿತವನ್ನು ಬೆಂಗಳೂರು ವಿಶ್ವವಿದ್ಯಾಲಯವೇ ನಡೆಸುತ್ತಿದೆ. ಇದರ ಮೇಲೆ ಹಿಡಿತ ಸಾಧಿಸಲು ಕೇಂದ್ರ ವಿ.ವಿ. ಮತ್ತು ಬೆಂಗಳೂರು ವಿ.ವಿ.ಯ ಹಿರಿಯ ಹುದ್ದೆಗಳಲ್ಲಿ ಇರುವವರು ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದಾರೆ.

‘ವಿ.ವಿ. ವಿಭಜನೆಯ ನಿಯಮಗಳ ಪ್ರಕಾರ ಸೆಂಟ್ರಲ್ ಕಾಲೇಜು ಆವರಣದಲ್ಲಿನ ಎಲ್ಲ ಆಸ್ತಿಗಳು ಕೇಂದ್ರ ವಿಶ್ವವಿದ್ಯಾಲಯಕ್ಕೆ ಸೇರಬೇಕು. ಆದರೆ, ಬೆಂಗಳೂರು ವಿಶ್ವವಿದ್ಯಾಲಯ ಈವರೆಗೂ ಆ ಎಲ್ಲ ಆಸ್ತಿಗಳನ್ನು ಹಸ್ತಾಂತರಿಸಿಲ್ಲ. ಅವುಗಳಲ್ಲಿ ಯುವಿಸಿಇ ಕೂಡ ಒಂದು. ಅದನ್ನು ಉಳಿಸಬೇಕೆಂದು ನಾವು ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದೇವೆ’ ಎಂದು ಬೆಂಗಳೂರು ಕೇಂದ್ರ ವಿಶ್ವವಿದ್ಯಾಲಯದ ಹಿರಿಯ ಅಧಿಕಾರಿಯೊಬ್ಬರು ತಿಳಿಸಿದರು. ‘ಶತಮಾನದಷ್ಟು ಹಳೆಯದಾಗಿರುವ ಯುವಿಸಿಇ ಕಟ್ಟಡದ ನವೀಕರಣ ಕಾಮಗಾರಿ ಮುಗಿಸಿದ ಬಳಿಕ, ಹೊಸ ಕೋರ್ಸ್‌ಗಳನ್ನು ಪರಿಚಯಿಸುವ ಯೋಚನೆ ಇದೆ’ ಎಂದು ಅವರು ಹೇಳಿದರು.

‘ಯುವಿಸಿಇ ಸ್ವಾಯತ್ತ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಯ ಸ್ಥಾನಮಾನ ಪಡೆಯಲು ಇದು ಸಕಾಲ. ತಾಂತ್ರಿಕ ಶಿಕ್ಷಣವನ್ನು ನೀಡುವ ಆ ಸಂಸ್ಥೆಯ ಮೇಲೆ ಹಿಡಿತ ಸಾಧಿಸಲು ನಾವ್ಯಾರೂ (ಬೆಂಗಳೂರು ಮತ್ತು ಬೆಂಗಳೂರು ಕೇಂದ್ರ ವಿ.ವಿ.) ಪ್ರಯತ್ನಿಸುತ್ತಿಲ್ಲ. ಆ ಕಾಲೇಜು ನಮ್ಮ ವಿ.ವಿ. ವ್ಯಾಪ್ತಿಯಲ್ಲಿ ಇದೆ. ಆದರೂ, ವಿಶ್ವೇಶ್ವರಯ್ಯ ತಾಂತ್ರಿಕ ವಿಶ್ವವಿದ್ಯಾಲಯದಿಂದ ಆ ಕಾಲೇಜಿಗೆ ಸ್ವಾಯತ್ತತೆ ಸಿಗಲು ಪ್ರಸ್ತಾವನೆಯನ್ನು ಸಲ್ಲಿಸುತ್ತಿದ್ದೇವೆ ಎಂದು ಬೆಂಗಳೂರು ವಿಶ್ವವಿದ್ಯಾಲಯದ ಕುಲಪತಿ ಕೆ.ಆರ್.ವೇಣುಗೋಪಾಲ್ ತಿಳಿಸಿದರು. ಇವರು ಈ ಹಿಂದೆ ಯುವಿಸಿಇ ಪ್ರಾಂಶುಪಾಲರಾಗಿದ್ದರು.

‘ಕೆ.ಆರ್. ವೃತ್ತದ ಬಳಿಯಿರುವ ಯುವಿಸಿಇ ಸೆಂಟ್ರಲ್ ಕಾಲೇಜಿಗೆ ಹತ್ತಿರದಲ್ಲಿದೆ. ಇದನ್ನು ಪರಿಗಣಿಸಿ ಕ್ಷೇತ್ರವಾರು ವಿಭಜನೆ ಪ್ರಕಾರ ಯುವಿಸಿಇ ಬೆಂಗಳೂರು ಕೇಂದ್ರ ವಿ.ವಿ. ಆಡಳಿತಕ್ಕೆ ಒಳಪಡಬೇಕು ಎಂದು ಸಮಿತಿ ಶಿಫಾರಸು ಮಾಡಿತ್ತು. ಕಾಲೇಜಿನ ನೌಕರರಿಗೆ ವಿ.ವಿ. ಆಯ್ಕೆಗೆ ಅವಕಾಶ ಒದಗಿಸಲಾಗಿತ್ತು ಎಂದು ವಿ.ವಿ. ವಿಭಜನೆಯ ತಜ್ಞರ ಸಮಿತಿಯ ಸದಸ್ಯರೊಬ್ಬರು ತಿಳಿಸಿದರು.

ಮೆಕ್ಯಾನಿಕಲ್, ಎಲೆಕ್ಟ್ರಾನಿಕ್ಸ್ ಅಂಡ್ ಕಮ್ಯೂನಿಕೇಷನ್, ಮಾಹಿತಿ ತಂತ್ರಜ್ಞಾನ ಮತ್ತು ಎಲೆಕ್ಟ್ರಿಕಲ್ ಅಂಡ್ ಎಲೆಕ್ಟ್ರಾನಿಕ್ಸ್ - ನಾಲ್ಕು ಎಂಜಿನಿಯರಿಂಗ್ ವಿಭಾಗಗಳು ಸೆಂಟ್ರಲ್ ಕಾಲೇಜಿನ ಯುವಿಸಿಇ ಕ್ಯಾಂಪಸ್‌ನಲ್ಲಿವೆ. ವಾಸ್ತುಶಿಲ್ಪ ಮತ್ತು ಸಿವಿಲ್ ಎಂಜಿನಿಯರಿಂಗ್ ವಿಭಾಗಗಳು ಬೆಂಗಳೂರು ವಿ.ವಿ.ಯ ಜ್ಞಾನಭಾರತಿ ಆವರಣದಲ್ಲಿವೆ.

## Expert panel to decide UVCE's fate

To end the tussle between Bangalore University (BU) and Bangalore Central University (BCU) on taking over University Visvesvaraya College Of Engineering (UVCE), the newly appointed principal secretary higher education department chaired a meeting of vice chancellors of both the universities.

Anil Kumar, principal secretary, higher education department, decided to go ahead with the earlier decision, where an expert committee would be formed to decide the fate of the UVCE.

“We did not take any new decisions. Both the VCs cleared their stands. So we decided to stick to the old decision, where there was a recommendation for the formation of an expert committee to decide the fate of the institution,” Anil Kumar told DH.

The VCs briefed the principal secretary about the situation of the respective universities. As recommended earlier, the expert committee would be formed, which would decide to which university the UVCE should be handed over to.

Currently, the UVCE is under the BU administration. But the BCU officials were demanding the control of the institution according to the trifurcation treaty. According to the pact all the immovable property on the Central College campus would belong to the BCU. At present, the BU has taken up the renovation work of the UVCE.

“The meeting decided to constitute another committee to look after the Jnana Jyothi auditorium at the BCU campus. As the BU is still holding the authority over the auditorium, this has also become a cause for another tussle. However, the future of UVCE is now completely dependent on the yet to be formed committee. There was also a suggestion to make the institution an autonomous body, but the committee has to decide,” said a senior official of the department.

## Heads of depts at UVCE decide to remain with BU

All University Visvesvaraya College of Engineering (UVCE) heads of departments have come out with a unanimous resolution to retain the college under Bangalore University (BU) only till it gets an autonomous status. "UVCE is getting grants from various funding agencies considering the fact that it is a constituent college of Bangalore University, which is accredited by NAAC with 'A' grade alongwith Bangalore University.

If the college is separated from BU, further grants will not be sanctioned," read a copy of the proceedings, which was signed by all the six heads of departments and three other professors who attended the meeting with the UVCE principal on Saturday. During the trifurcation of BU, a government committee headed by Prof S A Kori had said that UVCE will remain with BU. This was also mentioned in the state gazette. But later, the government had issued another order in June last year stating that as per jurisdiction, UVCE comes under Bengaluru Central University.

"Two departments of engineering at Jnana Bharathi have 1,200 students and four departments of engineering in KR Circle have 2,300 students. Awarding degrees by two universities -- BU and BCU -- is not possible," said a senior BU official.

Experts opined that UVCE should be under BU at least till it gets autonomous status. In the past, an amount of `25 crore was sanctioned by the government for renovation because when the government proposed shifting the two departments, students protested.

"Teachers should be given an option if UVCE has to be transferred to other universities as they are appointed as BU faculty and all the departments of UVCE are statutorily created as Department of Studies of BU. Students and teachers have already chosen to be with BU and they opine that there should be one entity, and may not agree for shifting," read the resolution.

UVCE has already got National Assessment and Accreditation Council (NAAC) accreditation under BU and it will be easier to obtain autonomous status. "It was unanimously resolved by the principal, chairpersons, teachers and students to retain UVCE under BU only," said the resolution signed by HN Ramesh, Principal of UVCE.
