ಸಂಪಾದಕೀಯ

ಎಲ್ಲರಿಗೂ ನಮಸ್ಕಾರ... ಕನ್ನಡ ರಾಜ್ಯೋತ್ಸವದ ಶುಭಾಶಯಗಳು !! ಪ್ರತಿ ಬಾರಿಯ ಹಾಗೆ, ನವೆಂಬರ್ ತಿಂಗಳ ಸಂಪ್ರದಾಯವನ್ನು ಮುಂದುವರಿಸಲು ಕನ್ನಡದಲ್ಲಿ ಸಂಪಾದಕೀಯ ಪ್ರಕಟಿಸಲು ನಿರ್ಧರಿಸಿ, ನಾನೇ ಬರೆಯಲು ಕೂತೆ.

ಯುವಿಸಿಇ ಒಂದು ದೊಡ್ಡ ಆಲದ ಮರ ಕಂಡಂತೆ ಅನಿಸತೊಡಗಿದೆ. ಇಂತಹ ಉಪಮೇಯದ ಅವಶ್ಯಕತೆ ಇತ್ತೇ? ಖಂಡಿತಾ.. ಏಕೆಂದರೆ, ಮರ ಒಮ್ಮೆ ಬೆಳೆದು ನಿಂತ ನಂತರ ಯಾರು ಕೂಡ ಅದರ ಪೋಷಣೆ ಮಾಡುವುದಿಲ್ಲ, ಅದರ ಬಗ್ಗೆ ಕಾಳಜಿ ತೋರುವುದಿಲ್ಲ, ಕನಿಷ್ಠ ಅದರ ರಕ್ಷಣೆಯ ಬಗ್ಗೆ ಯೋಚನೆ ಕೂಡ ಮಾಡುವುದಿಲ್ಲ. ಆ ಮರ ಮಾತ್ರ ಯಾವುದಕ್ಕೂ ಜಗ್ಗದೆ, ಅಂಜದೆ ನಿಂತಲ್ಲೇ ಬೇರೂರಿ ನಿಂತಿರುತ್ತದೆ. ಬಿರುಗಾಳಿ ಬರಲಿ, ಸುಡು ಬೇಸಿಗೆ ಇರಲಿ, ಸಿಡಿಲಬ್ಬರದ ಮಳೆ ಸುರಿಯಲಿ ಅದು ಹಾಗೆಯೇ ಗಟ್ಟಿಯಾಗಿ ಅಲ್ಲಾಡದೇ, ಪ್ರಾಣಿ- ಪಕ್ಷಿಗಳಿಗೆ ನೆಲೆ ನೀಡುತ್ತದೆ. ಪ್ರತಿಯೊಂದು ಜೀವಿಯೂ ಅದರ ರೆಂಬೆ-ಕೊಂಬೆಗಳಲ್ಲಿ ಹುಟ್ಟಿ, ರಕ್ಷಣೆ ಪಡೆದು, ಬೆಳೆದು ಬೇರೆ ಕಡೆ ಹೊರಟು ಹೋಗಬಹುದು. ಆದರೆ, ಅವುಗಳ ಬಗ್ಗೆ ಆಲದ ಮರ ತಲೆ ಕೆಡೆಸಿಕೊಳ್ಳದೆ, ತನ್ನನ್ನು ಅರಸಿ ಬರುವ ಹೊಸ ಜೀವಿಗಳತ್ತ ಗಮನ ನೀಡುತ್ತದೆ.

ಯುವಿಸಿಇ ಮಾತ್ರ ಇಂತಹ ಹೋಲಿಕೆಗೆ ಸರಿಸಾಟಿಯಾಗಬಲ್ಲದು, ಅಲ್ಲವೇ? ಪ್ರತಿವರ್ಷ, ತನ್ನಲ್ಲಿ ಬರುವ ಪ್ರತಿಯೊಬ್ಬ ವಿದ್ಯಾರ್ಥಿ/ವಿದ್ಯಾರ್ಥಿನಿಯನ್ನು ಜೋಪಾನವಾಗಿ ಕಾಪಾಡಿ, ಬೆಳೆಯಲು ಅನುಕೂಲ ಮಾಡಿಕೊಟ್ಟು ಅವರೆಲ್ಲರೂ ಸಮಾಜದಲ್ಲಿ ಭದ್ರವಾಗಿ ನೆಲೆವೂರಲು ಅವಕಾಶ ಮಾಡಿಕೊಡುತ್ತದೆ. ಯಾರೇ ಬರಲಿ, ಯಾವುದೇ ಅಭಿವೃದ್ಧಿ ಮಾಡದೆ ಇರಲಿ, ನೂರು ವರ್ಷದ ಕಟ್ಟಡದ ಜೀರ್ಣೋದ್ಧಾರ ಮಾಡದೇ ಇರಲಿ, ಸುತ್ತಮುತ್ತ ಕಸದ ರಾಶಿಯೇ ಬಿದ್ದಿರಲಿ, ಅಸಹನೀಯವಾದ ವಾತಾವರಣವಿರಲಿ - ಅದು ಮಾತ್ರ ತನ್ನ ನೂರು ವರ್ಷಗಳನ್ನು ಪೂರೈಸಿ ಇನ್ನಷ್ಟು ವಿದ್ಯಾರ್ಥಿಗಳ ಜೀವನ ಬೆಳೆಗುವತ್ತ ಮಾತ್ರ ಗಮನವನ್ನು ಕೇಂದ್ರೀಕರಿಸಿದೆ. ಭಾರತೀಯ ರೈಲ್ವೆಯ ಕುರಿತು ಯಾರೋ ಮಹನೀಯರು ಹೇಳಿದ್ದರಂತೆ - " ಇಲ್ಲಿ ರೈಲುಗಳ ವೇಳಾಪಟ್ಟಿ ಹೇಗೆ ನಿಗದಿಯಂತೆ ಕೆಲಸ ಮಾಡುತ್ತದೆ, ಹೇಗೆ ಬೋಗಿಗಳು ಸದಾ ತುಂಬಿರುತ್ತವೆ , ರೈಲ್ವೆ ಕ್ರಾಸಿಂಗ್-ಗಳ ಬಳಿ ಅಪಘಾತ ಆಗದೆ ಹೇಗೆ ಚಲಿಸುತ್ತವೆ, ತಮ್ಮ ಸ್ಥಳಕ್ಕೆ ಪೂರ್ವನಿರ್ಧಾರಕ್ಕೆ ತಕ್ಕಂತೆ ಹೇಗೆ ತಲುಪುತ್ತವೆ ಎನ್ನುವುದು ಭಗವಂತನಿಗೆ ಮಾತ್ರ ಗೊತ್ತು"

ಹಾಗೆಯೇ, ಯುವಿಸಿಇ ಅಲ್ಲಿ ತರಗತಿಗಳು ಹೇಗೆ ನಡೆಯುತ್ತವೆ, ಪರೀಕ್ಷೆಗಳು- ಮೌಲ್ಯಮಾಪನದ ವೇಳಾಪಟ್ಟಿಗಳು ಹೇಗೆ ಪ್ರಕಟವಾಗುತ್ತವೆ, ಕಾಲೇಜಿನ ನಿರ್ವಹಣೆ ಹೇಗೆ ಆಗುತ್ತದೆ, ಯಾರು ಮೇಲ್ವಿಚಾರಕರು, ಅಂಕಪಟ್ಟಿ ವಿತರಣೆ, ವಿದ್ಯಾರ್ಥಿಗಳ ಬವಣೆ-ಸಂಕಟಗಳು ನಿವಾರಿಸುವವರು ಯಾರು - ಇಂತಹ ಪ್ರಶ್ನೆಗಳೇ ಅರ್ಥ ಕಳೆದುಕೊಂಡಿವೆ.

ನಮ್ಮ ಕೈಲಾದ ರೀತಿಯಲ್ಲಿ ಎಲ್ಲರೂ ಜತೆಗೂಡಿ ನಮ್ಮ ಏಳಿಗೆ ಕಾರಣವಾದ ಈ ಸಂಸ್ಥೆಗೆ "ಶತಮಾನೋತ್ಸವ"ದ ಗೌರವ ಸಲ್ಲಿಸಬೇಕೆಂಬುದು ನಮ್ಮ ಮನವಿ...

ವಿಷನ್-ಯುವಿಸಿಇ ತಂಡದಿಂದ ವಿದ್ಯಾರ್ಥಿವೇತನ ನೀಡಿರುವ ಬಗ್ಗೆ ಲೇಖನ, ವಿದ್ಯಾರ್ಥಿಗಳ ಸ್ವ-ಇಚ್ಛೆಯಿಂದ ನಡೆಸಿದ "ಯುವಿಸಿಇ ಜಾತ್ರೆ", ಐಇಇಇ-ಯುವಿಸಿಇ ವತಿಯಿಂದ ನಡೆಸಲಾದ "ಕಾಗದ-೨೦೧೬" ಮುಂತಾದವುಗಳ ಕುರಿತು ಫೋಟೋ ಮತ್ತು ಬರವಣಿಗೆಗಳು ನಿಮ್ಮನ್ನು ಕಾಯುತ್ತಿವೆ...

- ಸತೀಶ್ ಎ. ಜಿ, ವಿಷನ್ ಯುವಿಸಿಇ ತಂಡದ ಪರವಾಗಿ ; ಫೋಟೋ ಕೃಪೆ: ಹರ್ಷ, ೨ನೇ ವರ್ಷ ಮೆಕ್ಯಾನಿಕಲ್

ಚೇತನ - ಯುವಿಸಿಇ ಕನ್ನಡ ಸಂಘ

ಓ ನನ್ನ ಚೇತನ ಆಗು ನೀ ಅನಿಕೇತನ
ರೂಪರೂಪಗಳನು ದಾಟಿ, ನಾಮಕೋಟಿಗಳನು ಮೀಟಿ,
ಎದೆಯ ಬಿರಿಯ ಭಾವ ಬೀಸಿ,
ಓ ನನ್ನ ಚೇತನ, ಆಗು ನೀ ಅನಿಕೇತನ

ಬಹುಶಃ ಈ ಸಾಲುಗಳೇ ಯು.ವಿ.ಸಿ.ಇ ಕನ್ನಡ ಸಂಘವಾದ “ಚೇತನ”ಕ್ಕೆ ಪ್ರೇರೇಪಣೆ ನೀಡಿರಬಹುದು. ಕುವೆಂಪುರವರು ಇಲ್ಲಿ ವ್ಯಕ್ತಪಡಿಸಿರುವ ಭಾವವನ್ನೇ ಚೇತನ ಸಂಘ ಎರವಲು ಪಡೆದಿದೆ. ಶತಮಾನದ ಸಂಭ್ರಮದಲ್ಲಿರುವ ಈ ನಮ್ಮ ಧೈತ್ಯ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಯಲ್ಲಿ ಕನ್ನಡದ ಕಂಪನ್ನು ಮೂಡಿಸುವ ಸಂಘವೊಂದರ ಸ್ಥಾಪನೆಗಾಗಿ ಹಲವಾರು ಪ್ರಾಮಾಣಿಕರು ಪ್ರಯತ್ನಿಸಿದ್ದಾರೆ. ಅವರ ಈ ಪ್ರಯತ್ನವೇ ಚೇತನ ಇಂದು ಅಸ್ಥಿತ್ವಕ್ಕೆ ಬರಲು ಕಾರಣ. ಅಸ್ಥಿತ್ವವೇನೋ ಪಡೆದಿದೆ ಆದರೆ ಇದರ “ಅರಿವು ಹಾಗೂ ಪ್ರಚಾರದ ಕೊರತೆ” ಎದ್ದು ಕಾಣುತ್ತಿದೆ. ಇದನ್ನು ನೀಗಿಸುವ ಸಲುವಾಗಿ ಯು.ವಿ.ಸಿ.ಇ - ಜಾತ್ರೆ ನಮಗೆ ಉತ್ತಮ ವೇದಿಕೆಯನ್ನು ಕಲ್ಪಿಸಿತು. ಅಂದು ನಮಗೆ ಸಿಕ್ಕಂತಹ ಪ್ರತಿಕ್ರಿಯೆಗೆ ನಾವು ನಿಮಗೆಲ್ಲರಿಗೂ ಧನ್ಯರಾಗಿದ್ದೇವೆ.

ಈಗ ಸಂಘದ ಕೆಲವು ಪ್ರಮುಖ ವಿಚಾರಗಳನ್ನು ನಿಮ್ಮೊಂದಿಗೆ ಹಂಚಿಕೊಳ್ಳಲು ಇಚ್ಛಿಸುತ್ತೇನೆ. ಮೊದಲಿಗೆ ನಮ್ಮ ಸಂಸ್ಥೆಯಲ್ಲಿ ಕನ್ನಡಾಭಿಮಾನಿಗಳು ಹರಿದು ಹಂಚಿಹೋಗಿದ್ದಾರೆ, ಹಾಗೂ ಕನ್ನಡವೇ ಉಸಿರು ಎಂದು ಬದುಕುತ್ತಿರುವವರು ಎಲೆಮರೆಯ ಕಾಯಿಯಂತಾಗಿದ್ದಾರೆ. ಇವರನ್ನೆಲ್ಲಾ ಒಂದುಗೂಡಿಸುವ ಪ್ರಯತ್ನ ನಡೆಯುತ್ತಿದೆ. ಇದನ್ನು ಮತ್ತಷ್ಟು ಸುಲಭ ಮಾಡಲು ಕೆಳಗೆ ನೀಡಿರುವ ಸಂಖ್ಯೆಗೆ ನಿಮ್ಮ ಹೆಸರಿನ ಸಮೇತ ವಾಟ್ಸಾಪ್ ಸಂದೇಶವನ್ನು ಕಳುಹಿಸಿ.

ಸಂಘವು ತನ್ನಲ್ಲಿನ ಅಧಿಕಾರದ ಮೋಹವನ್ನು ಬದಿಗೊತ್ತಿ ಎಲ್ಲರೂ ಸದಸ್ಯರಾಗಿ, ಅವರ ಅಭಿಪ್ರಾಯಗಳನ್ನು ಪಡೆದು ಒಮ್ಮತದಿಂದ ನಡೆಯುತ್ತೇವೆ. ಚೇತನದ ಮೊದಲ ಸಭೆಯಲ್ಲಿ ಈ ವಿಷಯಗಳನ್ನು ಪ್ರಸ್ತಾಪಿಸಿ ಚರ್ಚಿಸಿದ ಬಳಿಕ ಅಲ್ಲಿ ನೀಡಲಾದ ಸಲಹೆಯಂತೆ ಪ್ರತಿ ತರಗತಿಯಲ್ಲಿ ಸಂಘದ ಸಂಚಾಲಕರನ್ನು ನೇಮಿಸಿ, ಇದರ ಅಸ್ಥಿತ್ವ ಹಾಗೂ ಕಾರ್ಯಕ್ರಮಗಳನ್ನು ತನ್ನ ಸಹಪಾಠಿಗಳಿಗೆ ವಿವರಿಸುವುದು ಮತ್ತು ಇಂದಿನಿಂದ ಬರುವ ಪ್ರತಿ “ಸಂಪದ”ದಲ್ಲಿ ನಮ್ಮ ಸಂಘದ ನಡೆಯನ್ನು ಎಲ್ಲರಿಗೂ ತಿಳಿಸುವುದು ಎಂಬುದು ಪ್ರಮುಖ ಅಂಶಗಳಲ್ಲೊಂದು.

‘ಕನ್ನಡ ರಾಜ್ಯೋತ್ಸವ’: ನವೆಂಬರ್ ತಿಂಗಳು ಬಂತೆಂದರೆ ಸಾಕು, ಎಲ್ಲರಲ್ಲೂ ಗುಪ್ತಗಾಮಿನಿಯಂತೆ ಹರಿಯುತ್ತಿದ್ದ ಕನ್ನಡಾಭಿಮಾನ, ಜ್ವಾಲಾಮುಖಿಯಂತೆ ಸ್ಫೋಟಿಸಿ ಬಹುಬೇಗನೆ ತಣ್ಣಗಿನ ಬಂಡೆಗಲ್ಲಾಗುತ್ತದೆ. ಅಂದು ಕರ್ನಾಟಕದ ಏಕೀಕರಣವಾಯಿತೆಂಬ ವಿಚಾರ ಎಷ್ಟೋ ಮಂದಿಗೆ ತಿಳಿಯದ ಸತ್ಯ. ಕನ್ನಡವನ್ನು ಅದರ ಸೌಂದರ್ಯವನ್ನು ಆರಾಧಿಸಲು ಯುಗಯುಗಗಳೇ ಸಾಲದು. ಇನ್ನು ಕೇವಲ ನವೆಂಬರ್ ೧ರಂದು ಅದನ್ನು ಮಾಡುತ್ತೇವೆ ಎನ್ನುವುದು ನಗೆಪಾಟಲಿನ ವಿಚಾರವಾಗಿದೆ.

ಮುಂದಿನ ನಡೆ : ಇದೇ ತಿಂಗಳ ೧೮ನೇ ತಾರೀಖಿನಂದು ಜರುಗುವ "Fiesta" ಸಾಂಸ್ಕೃತಿಕ ಹಬ್ಬದಲ್ಲಿ ಕನ್ನಡ ಸಂಘದ ಪರವಾಗಿ ೩ ಕನ್ನಡ ಆಧಾರಿತ ಕಾರ್ಯಕ್ರಮಗಳನ್ನು ಹಮ್ಮಿಕೊಂಡಿದ್ದೇವೆ, ತದನಂತರ ಮತ್ತೊಂದು ಸಭೆಯನ್ನು ಕರೆದು ಮುಂದಿನ ನಡೆಬಗ್ಗೆ ಚರ್ಚೆಯನ್ನು ನಡೆಸಲಾಗುವುದು.

ಅನಂತ ತಾನ್ ಅನಂತವಾಗಿ, ಆಗುತಿಹನೆ ನಿತ್ಯಯೋಗಿ,

ಅನಂತ ನೀ ಅನಂತವಾಗು, ಆಗು ಆಗು ಆಗು,

ಓ ನನ್ನ ಚೇತನ, ಆಗು ನೀ ಅನಿಕೇತನ

-ಕುವೆಂಪು

ಇಲ್ಲಿ ನಿತ್ಯಯೋಗಿಯ ಪಾತ್ರವನ್ನು ನಮ್ಮ ಸಂಘಕ್ಕೆ ಹೋಲಿಸಿ ಅದು ಅನಂತವಾಗುವುದಕ್ಕೆ ಸಹಕರಿಸುತ್ತಿರುವ 'ಸಂಪದ ತಂಡ', ವಿದ್ಯಾರ್ಥಿಗಳು ಹಾಗೂ ಕನ್ನಡಾಭಿಮಾನಿಗಳಿಗೆ ನನ್ನ ಅನಂತಾನಂತ ನಮಸ್ಕಾರಗಳು.

- ಹರ್ಷ, ೨ನೇ ವರ್ಷ ಮೆಕ್ಯಾನಿಕಲ್

AN APPEAL - SAE UVCE

The students of SAE UVCE are participating in 2 different competitions—GKDC (National Level) and BAJA (International Level). These competitions help the students to incorporate their academic knowledge into the real world problem statements and accentuates them as an engineer.

Both the teams have cleared first round of the competition, held under their respective levels. The second round involves the fabrication of the proposed vehicle within the design limitations specified. The students are hard-working, dedicated and focused on making their creative ideas/ designs into reality.

They have incurred some of the costs, like Registrations and other basic requirements on their own. But, for the completion of building their vehicles, they need financial support. GKDC Team is looking for around 1 Lakh Sponsorship, while for BAJA the estimate requirement is around 5 Lakh. They are making the best efforts to use all the available resources (reusable parts from previous years) but need alumni support financially.

We, from VisionUVCE Team, vouch for their efforts & have also promised to support as much as possible. We call upon the alumni to back them too. You can enquire them about sponsoring officially on behalf of your companies for branding as well.

APOLOGY

Team Sampada sincerely apologizes to Dr. B M Rajaprakash Sir for a miscommunication that happened and lead to misprinting of few of his views in his interview that was published in SAMPADA Edition 81. We had quoted him as "Government should be made accountable". It was supposed to be "Government should be approached for grants during budget preparation/session".

We realize our mistake and are sorry for it. We will make all attempts to not repeat this fault in any future articles.

VISIONUVCE SCHOLARSHIPS 2016-17

Here is the list of VisionUVCE Scholarship awardees for the year 2016-17. We know that all the candidates were equally deserving, but within our constraints and limited knowledge, we have tried our best to select the most eligible among them. We would like to thank all the donors for their selfless donations towards this noble cause!

KAGADA 2016

With the IEEE Day falling on 4th of October, the entire month of October was special for Team IEEE UVCE. With a flurry of Technical and Fun events like Creatrix, Action-Reaction, Auto Quiz, Brain-it-On and SparQuiz, there was something in store for everyone throughout the month. Amongst a host of events planned for the entire month, one that sparkled the eye of even the disinterested was Kagathon where the young students along with the faculty and a few alumni got together for a run at Cubbon Park on 15th of October.

KAGADA 2016, the National Annual Technical Paper Presentation Competition conducted by IEEE UVCE was held on 21st October, 2015. The Chief Guest for the symposium was Dr Manish Gupta, Vice President and Director, Xerox Research Centre, India who spoke about the importance of research and innovation and complimented Kagada for promoting research at the Under Graduate level. With the Principal's address done later, the entire audience then parted to the respective venues assigned to the various categories.

There were 5 categories at KAGADA 2016 and each of the categories got a tremendous response. The UG and PG sections witnessed a contrast of Research Papers from various streams of engineering. WIE- Women in Engineering category was aimed at encouraging women to showcase their capacity in the field of research. The Project presentation witnessed the participants showcasing their working models and the judges evaluated them on the basis of innovation, feasibility and presentation. Poster presentation saw the huge participation with the participants presenting their innovating ideas whilst making it very difficult for the judges to come to a conclusion regarding the winner.

Over 100 participants from various colleges like RVCE, PESIT, BMSCE, BNMIT and so on took part in KAGADA 2016, making it even more popular than numerous college fests organised across Bangalore.

Running in parallel to the prestigious competition was the STAR (Student Teacher Research Programme) initiative by the women wing of IEEE; WIE, in conjugation with NOKIA, where students from a government school were exposed to the insides of an engineering college through some competitions and interactive sessions and were encouraged to take up STEM fields as their profession. The STAR initiative has been a regular norm at Kagada and has been joined along with the Food Stalls put up by students where all the profits are donated to the charity.

At the valedictory function later in the day, the students who took part as well as the ones who played the role as audience got an opportunity to express their opinion on the conference so that the betterment and improving of the symposium could be done efficiently for the coming years. The conference ended with the announcement of the winners and the giving away of their prizes along with a group photograph.

-Prateek Parashar. 3rd Sem ECE

UVCE JAATRE

“Good things come late, but better things come later”, so did Jaatre. Even after the postponement of Jaatre, the team worked with the same enthusiasm and spirit. In spite of so many hurdles faced by us there was always a unity amongst us, which was the best part. This unity, dedication and enthusiasm is the main reason for the Jaatre to become a grand success. Though we were permitted to conduct Jaatre after the classes, around 3 P.M., our juniors awaited for it and we could see hundreds of people crowded to know what was going to happen there. They were very curious to know what Jaatre was all about. They were introduced to the various clubs led by the students in our college, the purpose of the club and how can one join the club.

Every club had some exciting events like the drama team- “Tatva”, conducted dumbcharades. For those who love reading, “Vinimaya” conducted a quiz competition based on few famous novels and also displayed their collection of books, which can be borrowed by anyone. The greenery club “G2C2”, which promotes cleanliness and other aspects that protect environment, conducted a fun filled activity called Scoop It Up, where the participants had to scoop TT balls with the help of a spoon in their mouth. “SAE”, which mainly focuses on automobile, displayed a go cart, and V Engine and Gear transmission models which were explained as well. On behalf of IEEE there was a fun filled activity - Tower of Hanoi. “Esportivo”- the sports club had organized a simple activity where the girls had to aim a cricket stump with a tennis ball while the boys had to use a cricket stump to balance a tennis ball. “Vidyuth” had an innovative stall where questions regarding electronic circuits were asked and few electronic components were given, that had to be identified by the participants. “Art Forum” asked the participants to draw their nightmare. The Kannada Literary Club, “Chetana” had conducted multiple programs that were related to reality shows, history of Kannada, film dialogues, monoacting, pick-and-act etc.. “Chakravyuha” had another fun event where people had to balance a coin on a pencil. For all selfie lovers a photo booth was designed on Halloween theme and tattoos were sold by the hostel girls. There was an on spot event too where the one to finish dew fastest, in a sip, was the winner. Ultimately, they discovered many things, had loads of fun, won hell lot of goodies & not to forget the dance by the flash mob which was later accompanied by all.

Nevertheless again going down the lane, all this started with few rumors which led to the formation of a group that consisted of students from each branch who were representing their branch and campaigned about Jaatre in their respective branches. The team put up lot of efforts and hard work in this. In spite of being tired by the day long classes, we stayed back after the classes and helped each other in every possible way. Without the team effort the event would have been impossible, and I am proud to be part of it. Last but not the least, the never ending support by our seniors and team VisionUVCE made the event for the day.

- Priya G, 3rd sem CSE

SCHOLARS TALK

I am honored to be one of the recipient of the VisionUVCE Scholarships for the year 2016-17. Thanks to all the Scholarship Sponsors for your generous support.

- Fazilat, 3rd year ECE

First of all I would like to thank everyone from the VisionUVCE Scholarship team for selecting me for the scholarship. Such a scholarship at this time for a poor student plays a very important role. I used the scholarship for a good reason. Once again a thank you to all who supported us and are a part of this.

Since I am a Mechanical Engineering student, we have to learn some software which will be useful, so is there any facility or help for this from your side?

- Jayanth, 2nd year Mech

I am Pallavi P G from 3rd year ECE and am the VisionUVCE scholarship recipient. This scholarship helped me a lot and the amount was of great importance. Please do continue the same and I want, more and more students like me to be benefitted. Thank you!

- Pallavi P G, 3rd year ECE

I would like to really thank VisionUVCE from the depth of my heart for sanctioning this scholarship as it really means a lot because I could fulfill my dreams and achieve my career goals in spite of financial problem.

- Mohd Rafeeq, 2nd year CSE

It is very good thought from the alumni to give a good platform for the development of the students. I really felt good about this and feel very lucky to get this scholarship. I'm very thankful to all the Alumni for this opportunity.

- Vivek R K, 2nd year Mech

It is really very helpful thank you very much for that you have given me scholarship this really helped me a lot and you discussed many things with us and you people also told that if we have any idea to do project you will help us thank you thank you so much

- T S Deepa, 3rd year ECE

I am Pavan Kumar G. I am studying in 5th Semester BE (Electrical and Electronics Engineering) at UVCE. I have received the financial help from VISIONUVCE Scholarship Team. I whole-heartedly thank VISION UVCE for providing me with this scholarship. It has helped me a lot.

- Pavan Kumar G, 3rd year EEE

As mentioned earlier, this is the 6th year we are giving "VU Scholarships"!! Thanks to all the alumni support, it has been possible and has created a hope to be sustained for a long time to come. On behalf of the students, we applaud your efforts to "Give Back to UVCE"!

SAMPADA TEAM: Shaina Rachelle Noronha (5th sem ISE), Rovin D'Souza(5th Sem Mech), Paloma (3rd Sem EEE), Prateek(3rd Sem ECE), Varsha Venugopal(3rd Sem ECE), Devaraj(3rd Sem CSE), Karthik Kolle (3rd Sem EEE), Kishore (3rd Sem CSE), Swaroop E, Satish A G, Sri Harsha D V and Chitra S Reddy (VisionUVCE Team)
